

Brief overview of the critical dates in our timeline at present
Keep in mind, dates could change if delays are experienced:

2018

August - September

Signed the 10-year lease for our new store, which will commence early 2020.

Special member-owner vote to approve the purchase of our store in 2030. Passed with 97% voting yes!

Our NEW West End store

September 17

GreenStar's Capital Campaign kicks off collecting Investment Shares from our member-owners (including you if possible!) to help finance the expansion.

October 2018

The interior floor plan layout is finalized and we have a team of store designers assisting us with the details of interior design.

November 2018

Construction Begins! Ground breaking ceremony on Thursday, November 8 at 770 Cascadilla Street!

2019

January 2019

All Staff meetings in early January to have an in depth catch up on expansion, organizational structure and beginning to review a transition plan.

December 2019 - February 2020

GreenStar transfers the last of its operations to its new location at 770 Cascadilla Street and opens for business!
